

Talking peas are appearing all over the kingdom and Penny doesn't have time to protect them all. The peas and Penny need your help. Can you design a poster to argue that talking peas should be treated the same as other peas?

### Make your poster stand out:

• Keep it simple, but clear. What will you say?

---

• What colours will you use to make your slogan stand out?

---

• Will you include a picture? What picture might help to persuade people?

---

• Where in the kingdom will you display your poster so people can see it?

---
